About Us

The Oyster Girls is a Morris dance side based on the Isle of Wight. Wearing clogs, we dance in the North-West tradition of Morris dancing, which originates from the industrial and mill towns of the north-west of England. Many of the dances are named after those towns.

We practise in Newport on Wednesday evenings during the winter. If you'd like to join us or would like to book us for your event, please talk to any dancer, or phone Jane on (01983) 614495 or Julie on (01983) 812642 or see

www.oystergirls.org.uk

The money we raise goes to local charities which we select each year. Our chosen charities for 2019 are **Independent Arts** and **IW Young Carers**. We would therefore be most grateful if you can spare some change for the collecting jug. Thank you

Independent Arts

Independent Arts is a small charity based on the Isle of Wight founded in 1987. Using the arts as a tool to improve health, wellbeing and quality of life for older people, and others in our community facing disadvantage or social isolation.
